Dear Prayer Partners and Faithful Supporters,

It gives me great joy to be able to share with you what our God is doing through us all working together. I had a wonderful trip to Peru the first part of October. My flights in and out of the country went very smooth and all of the traveling while in the country was trouble free. I had the privilege of visiting four men's prisons and a holding tank for teenage girls. During the service with the teenage girls, God moved on their hearts and four of the young girls trusted Christ to save them. As I was about to leave two of the girls said that they wanted to thank me for coming all the way from America to visit with them. I told them it was my pleasure because it is what God has called me to do. I had great liberty as I was visiting the four men's prisons. One I was told is the largest in all of South America with a population of over 8,500 inmates. In one of the services at this prison there were 73 different countries that had inmates present of which seven were from the United States. Two of the other men's prisons had a population of at least 3,000 inmates each. I was able to visit one prison for teenage boys where we were allowed to have two different services. All total I was given the opportunity to preach in 10 different services and see 385 precious souls pray and ask Christ to save them. Thank you so much for making all of this possible.

In the last few months I have made mention of the need to reprint 20,000 of the study booklet, What God Wants You to Know, and also the need to purchase 2,000 Bibles with our Brazilian address and logo. I want to thank all of the churches and individuals that has responded and sent in special offerings to cover the cost of this material. It seems to just say thank you is so little but I do not know what else to say. I was looking at over \$8,000.00 to cover the cost of the Bibles and study booklet and you have meet this need completely. Please accept my sincere thanks and appreciation of all that you have done to help this ministry and me through the years.

Ruby and I are enjoying reasonably good health at this time. The doctor's has told Ruby that she is doing better with her diabetes and that here heart and blood thickness was doing okay. As for me, I am doing okay after coming home from Peru with a terrible cold that was about to develop into Bronchitis. I went to the doctor and got some medicine that took care of it. Ruby had the same problem before I left for Peru but we both are doing okay for now with spells of just coughing. Please continue to pray for our health so I will be able to continue to visit prisoners overseas.

We both want to thank you for all of your prayers and for the faithful support during October of \$\_\_\_\_\_.

Your Missionaries to Foreign Prisoners,

Bobby & Ruby Sizemore
